Name and address of employer **RCAA**

Type of business or sector **Aviation audit**

Dates	2008-2010, 2000-2006
Occupation or position held	Avionics Engineer, Engineering Department, Technical Division
Main activities and responsibilities	•develop aircraft maintenance programs; •monitor systems and components in for in-depth analysis; •prepare aircraft maintenance instructions, technical orders, AD, work cards, drawings, etc. •maintain and up-date avionics library, subscribe the required documentation; •supervise aircraft / component modification and inspection in compliance with airworthiness directives, service bulletin and another approved data •manage inspection/calibration program; initiate necessary corrective action.
Name and address of employer	ROMAVIA R.A.
Type of business or sector	Commercial transport -aviation
Dates	2006-2008
Occupation or position held	Head Project Office, Projects Department, Technical Division
Main activities and responsibilities	•managed a team of 3 people; assigning them tasks, and motivating them to meet deadlines. •ensure that requirements are correctly identified and translated into project requirements and Test plans. •writing of validation and qualification test procedures. •technical notes and equipment procedures.
Name and address of employer	ROMAVIA R.A.
Type of business or sector	Commercial transport-aviation
Education and training	
Dates	2014
Title of qualification awarded	PhD degree
Principal subjects/occupational skills covered	Aerospace engineering
Name and type of organisation providing education and training	"Politehnica" University of Bucharest, Aerospace Engineering Faculty, Romania
Level in national or international classification	university
Dates	2002-2004
Title of qualification awarded	master's degree in Aerospace engineering
Principal subjects/occupational skills covered	Airport Management and Aircraft Maintenance
Name and type of organisation providing education and training	Polytechnic Institute Bucharest , Aerospace Engineering Faculty, Romania
Level in national or international classification	university
Dates	1995-2000
Title of qualification awarded	Diplomat engineer
Principal subjects/occupational skills covered	Equipment's aircraft installation
Name and type of organisation providing education and training	Polytechnic Institute Bucharest , Aerospace Engineering Faculty, Romania
Level in national or international classification	university
Dates	2010
Title of qualification awarded	Part 66, Type B2, Bae146/Avro 146-RJ

Principal subjects/occupational skills covered

Training courses

- ICAO SMS Training Course, ICAO 2013;
- Aviation Safety Oversight Auditing Techniques, ICAO, 2012;
- EWIS, SOFEMA, 2011;
- Part M, JAA, 2011;
- „Special Operating Rules”, 2011
- SSP, 2011
- General knowledge B737-300/400/500., 2011;
- external quality auditor, QUASARO, 2010;
- "Fuel Tank Flammability Prevention Techniques to Level I and Fuel Tank Maintenance Safety Procedures to Level II", ADVANCED AIRCRAFT TRAINING LTD, 2007;
- Part 147 B2 Bae 146-200 Capital Aviation Services, 2005;

Social skills and competences

Aircraft inspection activities, offered me the opportunity to meet a large number of people, different, that had to socialize and work together to achieve a good final result. These conditions have resulted in improving my communication skills, understanding of human psychology in general, but gave rise to a strong sense of responsibility regarding workplace activity. Communication skills and teamwork qualities have allowed me and helped me in my activities, which is essential in my profession.

Organisational skills and competences

Workshop "AMO-CAMO" – march 2012, for CAMO's and AMO's organization in Romania, Bucharest, Romania;
1st International NCAS Conference, Romania, 2013

Technical skills and competences

Part 66, Type B2, Bae 146/Avro 146-RJ
